Personal Information
Date of Birth: 07/10/2002 | **Nationality:** Palestinian | **Residence:** Ramallah

Profile Summary
I am an enthusiastic Computer Science graduate with a background in web development, mobile application development, and machine learning. With practical experience in full-stack development. I am passionate about using technology to solve real-world problems and create meaningful solutions.

Technical Skills

Programming Languages: Python, Java, JavaScript, PHP

Web Technologies: HTML, CSS, Node.js, React, Angular

Frameworks: Flutter, .NET Core

Databases: MySQL, PostgreSQL

Tools & Platforms: Figma, Git, GitHub

Machine Learning: Keras, TensorFlow

Others: Web3, OOP

Professional Experience
Intern, Iconnect Company
July 2023 - September 2023

- Worked on .NET Core and Angular projects.
- Collaborated with team members to develop and deploy web applications.
- Gained hands-on experience in full-stack development.

Education
Birzeit University
B.Sc. in Computer Science   09/2020 - 07/2024

Projects
Graduation Project

- Developed the frontend of a cross-platform mobile application using Flutter
- Built an image binary classification model using Python and Keras.
- Gained expertise in machine learning and data science.

Machine Learning and Data Science

- Developed and deployed machine learning models.
- Implemented CNN models for various classification tasks.

Certifications
- **Generative AI for Everyone - Coursera** Certificate Link
- **The Complete Web Development Bootcamp (In Progress) - Udemy** Course Link
- **IBM DevOps and Software Engineering Professional Certificate (In Progress) Coursera** Course Link

Coursework Highlights

SP.TOP: Machine Learning

SP.TOP: Distributed Computing

SP.TOP: Encryption Theory

SP.TOP: Mobile Application Development

SP.TOP: Data Science and Analytics

Voluntary Work
- Volunteered with a non-profit organization called SkatePal for 5 years, teaching kids how to skateboard alongside international volunteers, which improved my teamwork and communication skills .
- Taught refugee children how to cycle for over a year, which enhanced my adaptability and time management abilities.
- Provided horse riding lessons for several months, further strengthening communication and teamwork.

Languages

Arabic (Native)   English (Proficient)   Spanish (Beginner)
